ABOUT US

Santushti is the flagship brand of Ravi Timber & Traders. Ravi Timber & Traders was established in the year 2007. Our manufacturing facility started with the production of wooden mouldings and has expanded to include an extensive range of doors that can be customised to suit specific requirements.

Santushti doors are waterproof, distortion-resistant and has an excellent indoor adaptability. They are strong and durable with great load bearing capacity. Along with a variety of doors, we provide an array of products – Wooden Mouldings, various types of Plywood, different ranges of Wood, Laminates and Doorskins of various thickness, Bathroom Accessories and Designer Mirrors.

“Har achi cheez mehngi ho, ye zaruri nahi hai”

We aspire to serve our customers with the best quality in the most reasonable prices.

Our strength comes from our offerings in varied range of products and services, efficiencies in manufacturing, distribution network and above all a young and motivated team as well as guidance from a very experienced set of people.

We have always believed in evolving with the changing choices of our customers and embracing innovation. Also, we are bound to make mistakes, but we believe in learning from them and rectifying them and we give our best in order to keep our customers from bearing losses.

RELIVING THE IMAGINATION BY DESIGNS

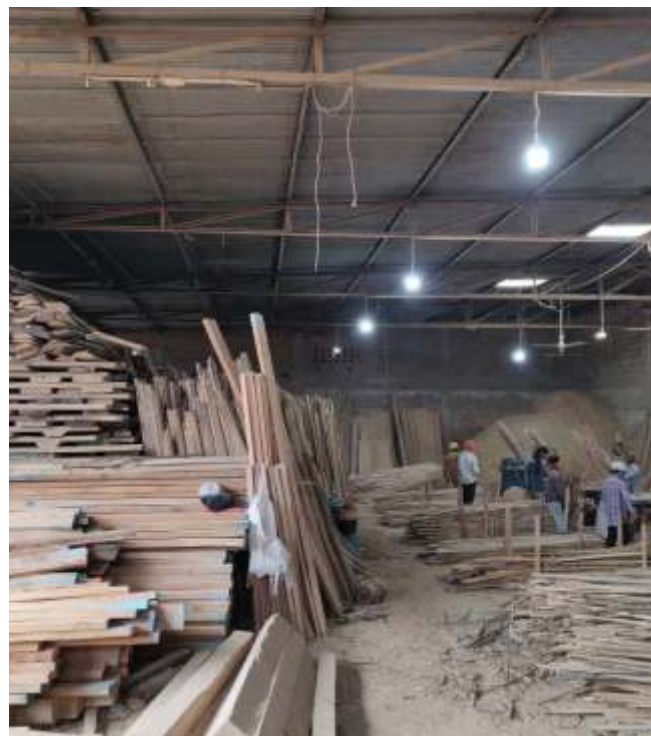

The strength of nation derives from the integrity of the home.

We deal in Wooden Mouldings. We use finest quality of teak wood from Africa and finest quality of Steam Beech wood from Europe, specifically Germany. Our mouldings are made using modern Automatic Machinery to provide you with the perfect sizes and finish as compared to the handmade techniques by our competitors. We follow a three step process in order to eliminate any possible mistakes or damages. We strive to achieve the best quality finish through continuous supervision and Total Quality Management Technique.
