Limited Warranty

All Klara products are subject to strict quality inspections and, when installed and maintained as per our recommended guidelines, are assured against manufacturing defects. However, this warranty does not apply in the following cases:

- Exposure to excessive heat or extended ultraviolet (UV) radiation
- Application using unapproved adhesives or chemically treated/low-quality substrates
- Use of abrasive tools, strong solvents, or harsh cleaning agents
- Outdoor use or direct, prolonged sunlight exposure
- Modifications or installations that do not comply with our prescribed procedures

Under these exclusions, claims for replacement, refund, or exchange will not be accepted. Minor shade differences between production batches are natural; therefore, it is advisable to use sheets from the same batch for consistency.

Klara will not be responsible for issues arising from improper handling, incorrect installation, or failure to follow the recommended care and maintenance instructions.
